## **Pacific Oral and Maxillofacial Surgery and Dental Implant Center Insurance and Billing Policy**

Understanding your insurance coverage can be quite challenging. Our goal is to assist you in maximizing your benefits. We care for patients from many different insurance companies with many different policies. Each plan is slightly different in its covered services. We encourage you to become familiar with your policy exclusions, deductibles and required co-insurance before your office visit. We file claims to both medical and dental insurance carriers by nature of our dental/medical specialty. Please be advised that we will process claims on your behalf.

### **Our courtesy service to you includes:**

- Filing your insurance claim in a timely manner of your visit and requesting payments of your benefits. Researching your insurance plan to help you understand your valid insurance benefits. Following the American Dental Association, American Medical Association guidelines for coding procedures and filing to your insurance company.
- We accept payment via all major credit cards, personal check, cash, and offers payment plans through Care Credit.
- An *estimated* patient payment is collected at the time of service based on the information we obtain by phone verification with your insurance carriers. This payment is again only an ESTIMATE derived from what we are told by your insurance carrier. It is not a guarantee of benefits or payment by your insurance carrier. We will bill you for outstanding amounts once the insurance coordination of benefits is complete.

### **Our expectations of you as the owner of the policy:**

- In the event that your specific dental and medical plan denies payment for a covered service that did not meet the criteria for coverage according to your group's provisions, you, the member, are solely responsible for the fees your insurance company refused or failed to pay.
- Payment of all fees not covered by your insurance plan is due at the time the services are rendered.
- This includes payment in full for services when the Doctor does not participate with your insurance plan or you have exceeded your maximum annual benefit.
- Understand that the insurance policy belongs to you and we have no leverage to obtain payment from insurance carrier. If we submit a bill to your insurer for services rendered and we do not receive payment within 90 days the full balance becomes the responsibility of the patient or the guarantor on the account.
- Realize that insurance policies restrict payment for some services, use restricted fees schedules and exclude some procedures based on prior conditions or length of time on the plan. All restrictions are based on the contract between the insurance company and your employer.
- Keep our office informed of any changes in your insurance coverage or employment.
- A 35% surcharge will be added to your balance if your account is turned over to a Collection Agency.
- **Remit payment direction to NJCOMS should your medical and/or dental carriers render payment directly to their subscribers. Should you receive a check, it is your responsibility to endorse the check for deposit only to *Garabedian and Kotikian Dental corporation* and forward it along with attached explanation of benefits (EOB) you receive. Please keep a copy for your records. Your account will be sent to a Collection Agency if you receive insurance payments and fail to forward them within 15 business days of release by insurance carrier to you, at which time surcharges will apply.**

Our office will assist you with predetermination of benefits and **estimated** expenses for treatment. We also furnish sufficient documentation to assist you in obtaining the benefits to which you are entitled. Thank you for your cooperation. **Please sign the space below and have your insurance card & driver's license ready for us to copy for our file.**

I hereby authorize Dr. Hamlet Garabedian and Armond Kotikian to release to my insurance company, information acquired in the course of my care. I hereby authorize benefits to be paid directly to this office.
